

# Gravity Gaming's **PREMIER HARDWARE UPGRADE PROGRAM**

**Give your team a competitive edge with extreme performance esports hardware.**

**Pay only \$90/month per complete system.**

Complete systems include a computer, headset, keyboard, mouse, monitor, and a comprehensive 3-year warranty. Upgrade to new hardware after 36 months.

**Give your team a competitive edge with high-end, custom built esports gaming PCs and peripherals from Gravity Gaming.**

## **HOW IT WORKS**

Commit to a minimum 36-month agreement and pay only \$90/month per complete system, backed by a hassle-free 3-year warranty. Warranty includes free shipping on warranty parts, esports-focused technical support, and a dedicated project manager for your team. Requires a minimum of six systems.

After 36 months, we'll provide a pre-paid shipping label to return your old systems, as well as a new agreement to upgrade to new customized hardware for the same low price.

## **PC CUSTOMIZATIONS**

All PCs will be custom branded with your school logo and LED light kit, as pictured above. We will also pre-install requested games, Discord, and any other software requested. We can work with your IT staff to provide the following free options: asset tagging, spreadsheet with serial numbers or MAC addresses, BIOS customizations, .cab files for drivers, etc.
